

If I could save time in a bottle
The first thing that I'd like to do
Is to save ev'ry day 'till eternity passes away
Just to spend them with you.

But there never seems to be enough time
To do the things you want to do once you find them.
I've looked around enough to know that you're the one
I want to go thru time with.

If I could make days last forever,
If words could make wishes come true;
I'd save ev'ry day like a treasure and then again
I would spend them with you.

If I had a box just for wishes
And dreams that had never come true;
The box would be empty except for the mem'ry
Of how they were answered by you.

BLACK STUDENT ORGANIZATION AND STUDENT WALK-OUT

Photos: Amjadi

The political scene at Ypsi High was quite active at the beginning of the year. Various complaints arose regarding the student attendance policy, closed lunch, and the \$10 parking fee. After a student walk-out and a week of discontent, the situation was alleviated by the calling of a Public Board of Education meeting. A new policy was drawn up by a joint committee, and the problems seemed to fade in our memories.

THE MOUSE THAT ROARED

The Drama Dept. chose to present "The Mouse that Roared" for their 1974 opening production. "Roars" could be heard coming from the auditorium for weeks during rehearsals, as the tiny country of Grand Fenwick was preparing for its military attack against the U.S.

"The Mouse that Roared" was faced with a new auditorium that was not yet "broken in". It was necessary for the crew to become familiar with a whole new collection of lights, plugs, microphones, tools, consoles, curtains and props. Once these technicalities were mastered, the cast was plagued with an incredible number of accidents. However, true to the code "The show must go on", the play opened with a broken leg, a sprained ankle, a broken elbow, an understudy and numerous severely bruised performers.

Despite these obstacles, the cast and crew were successful in providing the audience with an enjoyable evenings' entertainment.

Cast: Jeff Tothill, Teresa Schimp, Barry LaRue, Esq., Steve Birdsall, Carl Hanson, Dennis DeRossett, Bill Siemers, Bob Southhard, Cheryl Gier, Judy Dalton, Jeff Rednour, Jay Lawniczak, Jim Feuerstein, Tim Rose, Sam Stamos, Dean Smith, Janet Wheeler, Cathy McCarthy, Carol Cheney, Lynn Jackson, Amy Keene, Anne Schultz, Debbie Smith, Cathy Burgard, Julie Walton, Patty Samar, Lisa Angelocci, Paul Fraser, Debbie S. FIDDLER ON THE ROOF

Ypsilanti High School's theatrical high-point this year was "Fiddler on the Roof." After three months of grueling rehearsals under the able direction of Mr. Carl Barnhart, the show was ready for public inspection.

Jackie Rose and Jeff Palmer stole the show as Golde and Tevye, with a back-up of many fine leads, and an excellent chorus.

The theatre department has additional aid this year with the help of Ms. Haroldde Koch, our new Theatre Manager, in charge of technical direction. She managed to head a crew of "Tacky Techies" who stayed until all hours constructing a beautiful set.

From the cast to the crew, to the pit orchestra, this season's musical was certainly one to remember. "Right?", "Of course, right!"

Under the sponsorship of Mr. Carl Barnhart, the Thespians staged a spaghetti dinner in October, and sold "recycled" greeting cards at Christmas to raise funds for dramatic productions.

The society's officers this year are: Nancy Hall, president-treasurer; Jackie Rose, vice-president; and Carl Hanson, secretary.

The Thespians plan on presenting an improvisational show to top off the drama season.

Although the Junior class seemed to lean toward uninvolved last year, they have proved that philosophy wrong this year. The Class of "75" followed tradition by giving the most support, time and enthusiasm to school activities.

Following a general feeling of nostalgia that 1973 was noted for, the Juniors suggested "The Days of The Fifties" as a theme for the Homecoming Dance. The members of the class dressed in old '50's clothes and '50's songs were played during one of the most successful dances YHS has seen in years.

The Cross Country team is one of the least known and least patronized teams at YHS. Harriers take great pride in their sport, for it takes a great deal of endurance to race over the three mile course. The 1973-74 Cross Country team had some fine individuals, but there was lack of depth, and the Braves ended with a 3-10 season. Coach Simpson's team was lead by four seniors: Harold Carter, Joel Osborn, Bernard Brown and Charlie Green.

Harold Carter was the number one man throughout the season, continuously finishing high in dual and triangular meets, and winning a large majority of them. He was also 7th at Albion Invitational, 3rd in the tough 7-A league, 8th at Regionals, and capped a fine season by placing 10th in the State meet.

Joel Osborn, a three year veteran on the team and a three time letter winner, consistently placed high in the meets to help the Braves in the scoring department. He took many second places, often teaming up with Carter for a 1-2 Brave finish.

A broken ankle late in the summer sidelined Bernard Brown for a large portion of the season. This was a major blow to the Braves' chances in the meets. After his ankle healed, he quickly worked his way up to the number three position.

Charlie Green was a three year veteran on the team. He finished high in the team scoring all year and finished the season in the number 4 spot.

Mark Sanders was the only Junior on the team. Sophomores included Ernie Turman, Gary Weiser, Joe Fournier, John Smallish, Mike Zureich, Steve Cadwallader and Kevin Kemp. Demetrius Booker was the only Freshman on the team.

Although the top four men are graduating, many lettermen will be returning for the '74 season.

"The best team ever!" These were the words of Coach Claude Wilbanks for his 1974 Tennis Team. They were without a doubt the most successful of the athletic teams for the 1973-74 school year at YHS.

The team compiled a 15-1 record, shutting out 11 of their 17 opponents. They were second in league and regional meets. The only loss of the year came at the hands of Ann Arbor Pioneer, the winner of the league and regional meets.

The number 1 and 2 singles positions were held by sophomores Steve Carter and John Freatman. Senior Captain Ellis Freatman was in the number 3 singles spot and senior Al Andrews was #4 singles.

Number 1 doubles were Senior Tim Burandt and Sophomore George Wallace. In the number 2 doubles spot were Senior Brian McAllister and Junior Naz Sesi. Senior Dave Nesbitt and Junior Bob Fischer were in the number 3 doubles spot.

Ellis Freatman, Andrews, McAllister and Burandt were all 3-time letter winners.

Men's Tennis Team, 1st row: Tim Burandt, Steve Carter, George Wallace, Naz Sesi, Capt. Ellis Freatman. 2nd row: Coach Ouellette, Jeff Tot-hill, Scott McClure, John Freatman, Dave Nesbitt, Bob Fischer, Mark McClure, Al Andrews, Coach Wilbanks.

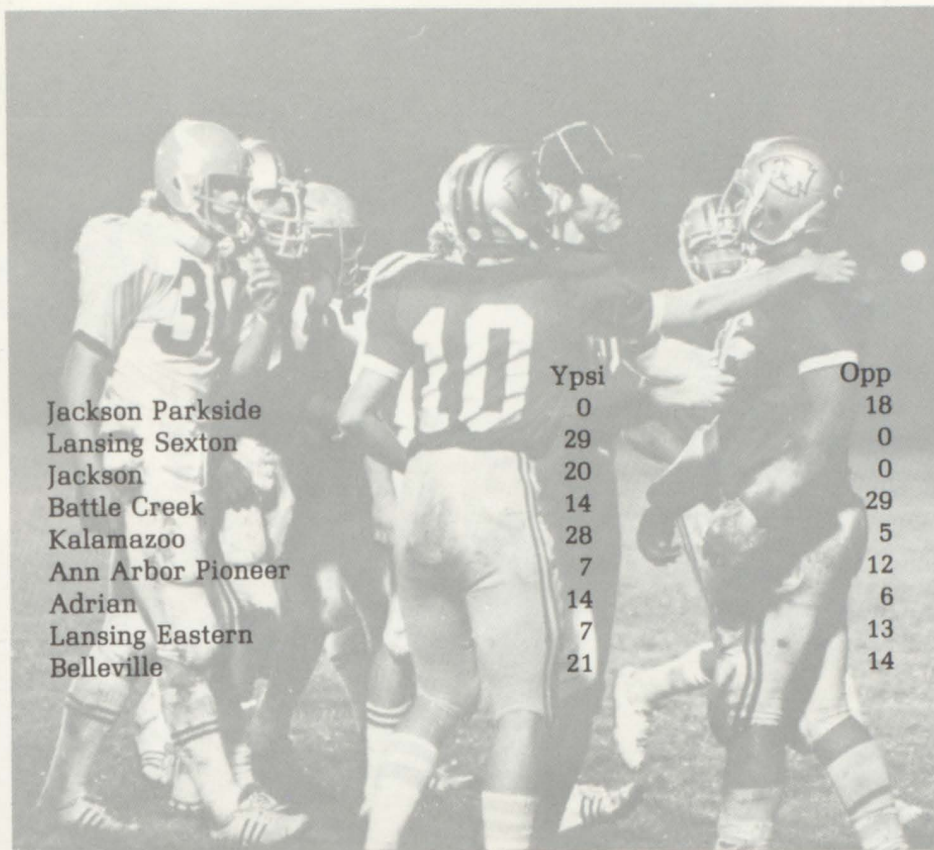

101 DAYS OF TRIAL AND TRIUMPH

It all started back in July. Fifteen weeks of hitting, hurting, being hit, and being hurt, went into the 1973 football season. The varsity finished with 5 victories and 4 losses, for their 5th winning season in a row.

The Braves once again had a player selected for All-State honors, Mike Grice. In addition, Al Andrews, Jay Baughman, Todd Thrun, and Mark Denise made the All 7-A Conference team.

The '73 Golf team provided a bright spot of the fall sports season by finishing in 10th place at the State Meet. Placed by 3-time letter winner Doug Davis, and 2-time letterman Dave Meade, the Linksmen carded a 6-7 dual meet record.

The team earned 2nd place at the Dearborn Invitational, said to be one of the most prestigious tournaments in Fall Golf. Davis and Meade were Co-Medalists with 75's; Meade winning on a Sudden Death playoff. Meade and Jon Devlin tied for Medalist at the Plymouth Invitational. The Linksmen were 3rd at the Regionals behind A.A. Pioneer and Trenton, and 4th at the League Meet.

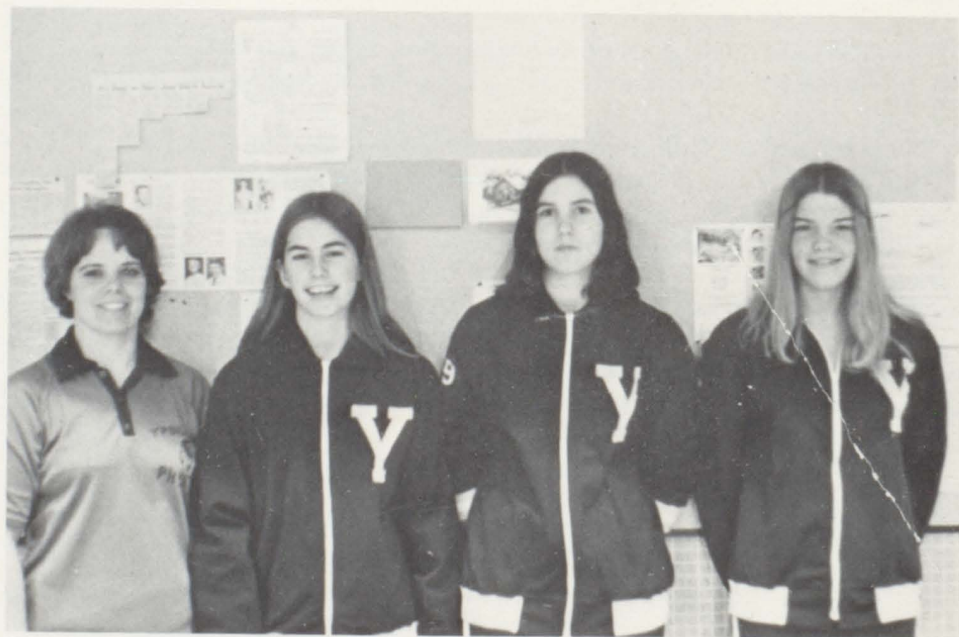

Coach Wilbanks had high praise for his Senior Captain Doug Davis. He tied for 1st place in the State and finally ended up 3rd in Sudden Death. He also carded a 72 in the League Meet to gain Medalist honors for the 3rd year in a row. He carried a 76 average for the year. Pat Shively and Bob Prevost were the other seniors on the team.

This was the first year for Women's Swimming at Ypsilanti High School. At the end of their first season, the team had an even 4-4 record, splashing to victories against Belleville, Taylor Center, Wayne, and Taylor Kennedy. Annette Kubiske placed 11th in the diving competition.

The Varsity Basketball team finished the 1973-74 season with a 14-10 record. The highlight of the season was the winning of the District Tournament. In the first round YHS defeated Ann Arbor Huron 53-42, and in the semi-finals beat Belleville 62-58. In the Championship game the Braves pulled out a thrilling 63-62 win over a tough Wayne John Glenn team.

The District win advanced the team to the Regionals. In the first round YHS played 7-A League Champion, Battle Creek Central, whom they had lost to twice earlier in the season by 12 and 13 points. Although playing a good game, bad breaks in the final seconds of play spelled a 54-52 Brave defeat.

Coach Oulette's team was dominated by Seniors: Captain Mike Powell, Ed Duffin, Richard Williams, Hillard Swanson and Booker Weathers. These Seniors starred along with Junior Ken Robinson and Sophomore Robbie Robinson who was brought up late in the season from Junior Varsity.

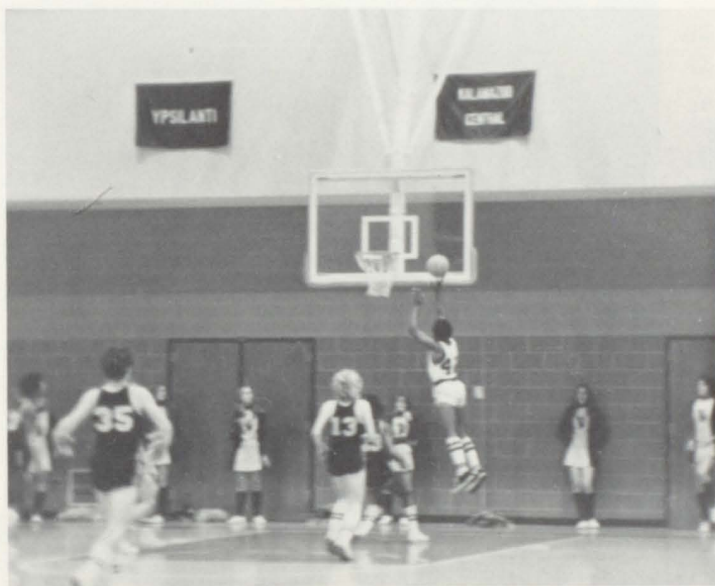

The Junior Varsity team had a good 1973-74 season with a 14-6 record.

Robbie Roninson was the leading scorer and rebounder. Elwood Brown was the assist leader. Both players were brought up to the varsity team late in the season.

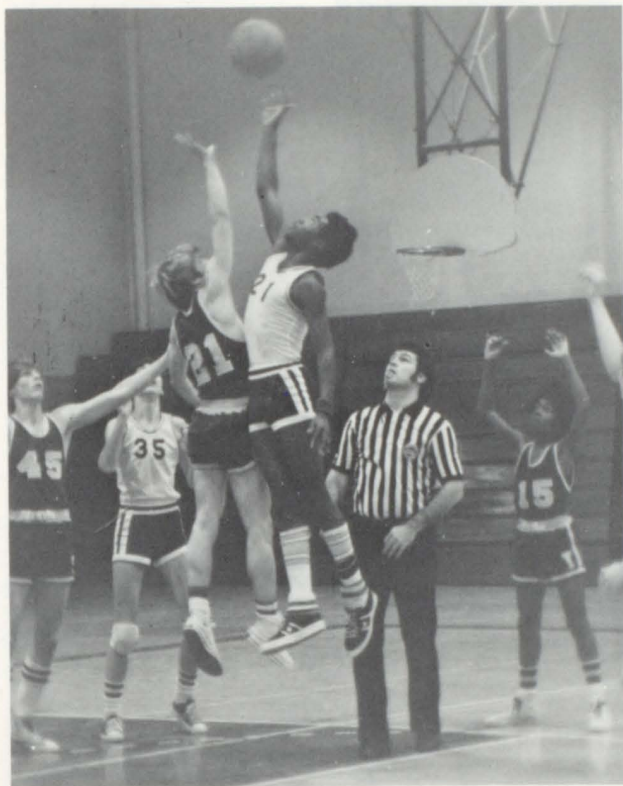

Other valuable players include Tracy Thomas, Mark Jones, Scott Riley, Ed Alexander, Tom Depping, and Stanley Roberson.

This year's winning season marks the 7th winning season in seven years of coaching for Mr. Kielwasser.

SOPHOMORES

Kathy Holloway, Kurt Heumann, Sophomore float: "I Can't Believe I Ate the Whole Thing."

WE'RE NOT THE BABIES ANYMORE

Two years down, only two years to go. This Sophomore class has a lot to contribute to the Student Body of Ypsilanti High School. They struggle forth behind the Juniors and Seniors to find their place in front of the incoming Freshmen. A new school, new faces, new beginnings and a chance to make themselves known. After the first confusing weeks the sophomores did a fantastic job swinging into class elections and class assemblies. The class of "76" started off well showing school spirit with pep assemblies and participation. This participation in the various events helped to build a strong sense of school spirit this year. High school is a new experience for sophomores. There are many adjustments as changes are made from junior high attitudes to high school leadership. This year's sophs found themselves faced with greater freedom than they had in junior high, a wider selection of classes, and a brand new building. For sophs, this year was a time to learn the ropes of YHS and to move on to their goal, graduation, because 1976 is only two years away.

FRESHMEN BECOME PART OF Y.H.S.

For the 1st year in a long time, YHS welcomed the Freshman class as part of the school. 9th graders quickly made a reputation for themselves for being the noisiest, and most rambunctious class in the building. No one walking past E or F sections of the Great Room needs to ask what classes are taught there - the area is obviously full of Freshmen. The 9th graders must be given credit though for fitting into YHS routines with a minimum of problems. They quickly adapted to crowded hall passages, long lunch lines, and TALL people.

The YHS faculty found themselves going through a lot of changes in order to adapt to the new school. Since few teachers work in anything that resembles a traditional classroom, it was necessary to find ways to get teaching materials to teaching stations. Each day just before 8:00 a line of carts came wheeling out of the office area and scattered to different areas of the Great Room. Teachers were provided offices located nearby their class areas. However, since the offices were placed through our building, it became difficult to know people in other departments. In an effort to alleviate this problem, the administration threw several parties to promote staff spirit.

Working in open-space classrooms was a completely new experience for YHS teachers. Flexibility became an important word in their vocabulary. The variety of movable furniture made it possible to arrange tables, desks, panels, and cabinets at will to accomodate whatever class activities that might be planned.

Why do I say, "Christ Is The Answer"? Because as a young businessman and supposedly a success materially, "as most people measure success," when I first heard the Gospel of how Jesus Christ died on the cross for my sins, I realized that something was missing in my life. There was an emptiness and loneliness that was never satisfied until September 13, 1959 when I got on my knees and asked Christ to forgive me of my sins and save me. Then I experienced the reason why Christ is the answer to every problem.

WOMEN'S VOLLEYBALL

Mr. Schmidt, Chairperson of the Social Studies Department, retired from the teaching profession last June after teaching 22 years in the U.S. Army and 11 years at Ypsilanti High School. Over the last years with Ypsi High he has seen the school and student body change in various ways. He has noticed that the students have seemed to become more aware and involved with issues in and about the school. "They have been willing to put forth the effort to change things and have, most importantly, learned that reform comes about through cooperation." By this and other favorable thoughts "my faith in younger people was reinforced."

Experience has proven helpful in Mr. Schmidt's teaching techniques. He has found that in the Social Studies Department working with small groups and individuals giving oral and written reports benefit the students greatly. Participation in group discussions is also very helpful. The new high school offers many opportunities to study in modern ways. If television programming and the Student Room could be put to use—even with history—everyone could take advantage of this form of learning.

We dedicate this page to Mr. Schmidt and say thank you for the success of the Social Studies Department. During his retirement, Mr. Schmidt will not remain idle. It is fortunate that he likes to work with young people and will be back substitute teaching or doing volunteer work with the school. Teachers who care about their students and get involved with their work surely help the community and Mr. Schmidt will be missed.

The '74 Track Team ended with a 3-9 record. Many injuries all season and a lack of depth caused defeat in many of the meets.

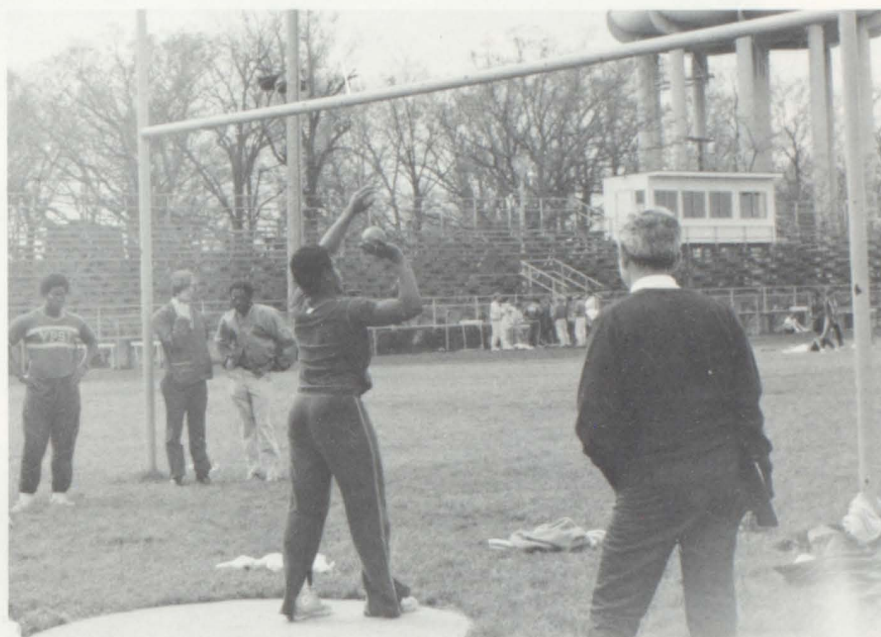

The majority of the team was composed of underclassmen. Seniors included Mike Grice (shot put), Bruce Smith (440-mile relay), Bernard Brown (2 mile), Joel Osborn (2 mile), and Harold Carter (mile-mile relay).

The '75 team will have many returning men as well as many fine prospects from the Freshman team.

FRESHMAN TRACK

This was the first year of Freshman Track at YHS. Although it was a small squad, the team had much talent and compiled a 6-1 season. They will provide much talent for the 1975 team.

This has been an exciting year here at Ypsilanti High, but also a confusing one. The move to our new school building resulted in mass hysteria. We all had to put up with no chairs, walls falling over, lost boxes of text books, and Freshmen who refused to walk through the halls like everyone else. But we did pull through the year. It's been tough adjusting, but I feel it was worth the trouble.

The Class of 1974 was lucky in a way. Ypsi's past graduates never got to experience the open class system, and our Underclassmen still have to put up with it. But, future Seniors take heart! By next fall, the past year's problems will be forgotten, leaving all new dilemmas for you to face. I'm sure you can handle it. After all, as long as you can be half as good as the Class of 1974, you'll be great.

As is mentioned several times throughout the book, this was a "year of firsts". Another important 1st time occurrence that may not be known to the Ypsi High community is my election to the position of editor of the yearbook. This is the first time in the history of Y.H.S. that a black person has held this post. As editor of the 1974 *Ypsilantian*, I was charged with the responsibility of seeing that all events of the year be recorded. The staff and I have spent many hours in producing this yearbook. We hope you will enjoy it for many years to come.
